

FATHER SHENAN J. BOQUET

Fr. Shenan Boquet travels around the world spreading the Gospel of Life as president of Human Life International (HLI). He was ordained in 1993 and is a priest of the Houma-Thibodaux Roman Catholic Diocese in Louisiana, his home state, where he served before joining HLI in August 2011. Fr. Boquet has traveled nearly a million miles to over 60 countries, working with bishops and Church leaders mentoring priests and seminarians, offering guidance to civil leaders, and speaking at numerous international conferences, spreading the Catholic Church's teachings on Life and Family as part of HLI's global mission to build a Culture of Life. Fr. Boquet has given hundreds of talks at conferences and in parishes across the United States on issues ranging from the dignity of the human person, to marriage, justice, and moral theology.

Fr. Boquet was raised in the small town of Bourg, Louisiana, in a devoutly Catholic family and community. His earliest and most influential examples were of his parents, grandparents, godmother and parish priests, all of whom instilled in him a love for Christ and His Church, and an active faith that was to be lived -- and became a vocation to the priesthood. He has been a guest on several EWTN television and radio programs, Catholic Answers Live, and others. His writings have appeared in publications such as LifeSiteNews, LifeNews, Catholic Exchange, and CNSNews. Even though he has been persecuted at times, he has remained dedicated to authentic Catholic teaching.
